8.12.010 Purpose--Enforcement.

This chapter is enacted as a sanitary measure, and for the prevention and elimination of nuisances. The town council is authorized, empowered, and directed to provide for the enforcement of the provisions hereof. (Ord. 121 § 1, 1969.)

8.12.020 Definitions.

For the purpose of this chapter the following terms, phrases and words shall have their meanings given herein:

- A. "Garbage" means and includes any and all kitchen refuse, rejected or wasted food, meats, fish, fowl, offal, carrion or their refuse accumulation of fruit, vegetable or animal matter that attends the preparation, use, cooking of, or dealing in, or storing of meats, fish, fowl, fruits, vegetables or anything whatsoever which may decompose and become foul, offensive, unsanitary or dangerous to health. (Ord. 121 § 2, 1969.)
- B. "Place of business" means any place in the Town of Jackson in which there is conducted or carried on principally or exclusively any pursuit or occupation by any person or persons for the purpose of gaining a livelihood. (Ord. 121 § 2, 1969.)
- C. "Public buildings and places" means office buildings, theaters, garages, motels, hotels, clubs, churches, schools, hospitals or other places of similar character. (Ord. 121 § 2, 1969.)

- D. "Refuse" means hay, straw, shavings, excelsior, paper, ashes, rubbish, containers, boxes, glass, cans, bottles and residue from the burning or other destruction of all combustible material whatsoever and any and all other material commonly known as rubbish or refuse of any kind or character, or by any name known, except as herein excluded. (Ord. 121 § 2, 1969.)
- E. "Residences" means buildings or dwellings, including house trailers, where no business of any kind is conducted except such home occupations as are allowed under the zoning ordinances of the Town of Jackson. (Ord. 121 § 2, 1969.)
- F. "Trade waste" means all discarded wooden boxes, barrels, lumber, cardboard boxes, cartons, water paper, plastics, styrofoam, insulation, leather, rubber, excelsior, cuttings, sweepings, rags and other inflammable waste materials and all discarded trade or manufacturing refuse from stores, factories, or other places of business which are not included within the definition of garbage, stove ashes and market waste. (Ord. 900 § 1, 2009; Ord. 121 § 2, 1969.)
- G. "Outdoor fireplace" means a freestanding fireplace, manufactured of stone, concrete block, concrete, metal, ceramic or other non-combustible material, with an enclosed burn chamber, solid or screened opening, and chimney with spark arrestor. (Ord. 900 § 1, 2009.)
- H. "Manufactured outdoor fireplace" mean a freestanding fireplace manufactured of metal, ceramic or other non-combustible material, with a burn chamber entirely enclosed by screen, metal, ceramic, other non-combustible material, or any combination thereof. (Ord. 900 § 1, 2009.)
- I. "Outdoor fire pit or fire bowl" means a freestanding or in-ground pit or bowl manufactured of stone, concrete block, concrete, metal, ceramic or other non-combustible material, covered with a screen with openings not greater than 1/8 inch (3.04 mm). (Ord. 900 § 1, 2009.)
- J. "Bonfire" means an outdoor fire utilized for ceremonial purposes. (Ord. 900 § 1, 2009.)
- K. "Open burning" means the burning of materials wherein products of combustion are emitted directly into the ambient air without passing through a stack or chimney from and enclosed chamber. Open burning does not include road flares, cutting torches, weed burners, or recreational fires. (Ord. 900 § 1, 2009.)
- L. "Recreational fires" means an outdoor fire burning materials other than garbage, refuse, or trade waste where the fuel being burned is not contained in an incinerator, barbeque grill or barbeque pit and has a total fuel area of 3 feet (914 mm) or less in diameter and 2 feet (610 mm) or less in height for pleasure, religious, ceremonial, cooking, warmth or similar purposes. (Ord. 900 § 1, 2009.)

8.12.030 Storing or scattering refuse prohibited.

No refuse or other combustible materials, sod, lawn mowings, weeds, ashes, garbage, bottles, broken glass, nails, tacks, wire, cans, rocks, stones, or any other refuse or materials, shall be stored or accumulated anywhere in the town, or thrown or swept into any street, gutter, sewer intake, alley, vacant lot, or other property. (Ord. 121 § 3, 1969.)

8.12.040 Premises to be kept clean and orderly.

It shall be the duty of every person, whether owner, lessee or occupier, of any vacant lot, building or premises, including any place of business, residence, or public building or place, or other establishment, to maintain the premises in a clean and orderly condition at all times, permitting no deposit or accumulation of materials other than those ordinarily attendant upon the use for which the premises are legally intended. Any such accumulation constitutes a nuisance, and a nonconforming use of the premises. (Ord. 121 § 4, 1969.)

8.12.050 Receptacles required.

Every owner, lessee or occupant of any building, premises or place of business, or public building or place, shall provide or cause to be provided and at all times keep, at such place as the town council or board of health may direct, suitable and sufficient garbage receptacles, either acceptable plastic or metallic receptacles with tapered sides and tight-fitting lids or properly and sufficiently treated weather-resistant paper bags manufactured specifically for use in garbage and refuse collection and having a twenty to thirty gallon capacity for receiving and holding garbage, refuse or other trash that may accumulate from the building, place of business or upon the premises or the portion thereof under the control of such person. No metal receptacle shall be filled to exceed one hundred pounds in weight and no paper bag above described shall exceed seventy-five pounds in weight including weight of receptacle. Each metal receptacle shall be provided with handles for convenient lifting of the same. (Ord. 121 § 5, 1969.)

8.12.060 Closed garbage containers required.

All garbage and market waste must be placed in rain-proof and fly-proof receptacles, either a metallic container with proper covers or weather-resistant paper bags specifically for use in garbage and refuse collection having a method of closing the bag tightly, and shall at all times be kept securely closed, and shall be kept in such place and in such manner as to prevent offense. (Ord. 121 § 6, 1969.)

8.12.070 Regulations for collection by town.

Receptacles containing garbage and other waste matter to be collected and hauled by the town or licensed collector, shall be set out for collection at the places and at such times as may be designated by the order of the mayor and town council. Such receptacles must not be set out upon the street for collection prior to the day of collection; and must be set out on the day of collection before the hour of collection designated by the town council. All empty receptacles must be removed from the street as soon as practicable after being emptied, and in every case must be removed from the street the same day they are emptied. No such receptacle shall be permitted to remain on any street longer than may be necessary for the removal of the contents thereof. (Ord. 121 § 7, 1969.)

8.12.080 Using boxes for garbage unlawful.

It is unlawful for any person to deposit garbage or other wet refuse in wooden boxes, barrels, or paste board cartons. If any such receptacles are used as containers for garbage or wet refuse, they shall be considered refuse and removed by the garbage collector. (Ord. 121 § 8, 1969.)

8.12.090 Placing loose material on street unlawful.

It is unlawful for any person to place or cause to be placed upon any street or alley for the purpose of collection or otherwise any loose paper, excelsior or similar trade waste. All such trade waste must be baled or placed in sacks securely tied before collection is made. (Ord. 121 § 9, 1969.)

8.12.100 Abuse of receptacles by collectors prohibited.

- A. All licensed collectors of garbage or other refuse and town employees engaged in garbage and refuse collection shall immediately upon emptying receptacles replace the cover thereon and set such receptacles in upright position. All garbage collectors shall exercise reasonable care in handling of garbage and other refuse and the receptacles containing the same.
- B. It is unlawful for any person to willfully break, deface, or injure any receptacle used to contain garbage or other refuse, or to do or permit anything to be done in connection with such receptacles or the contents thereof, which shall be offensive or filthy in relation to any person, place, building, premises or highway. (Ord. 121 § 10, 1969.)

8.12.110 Burning garbage and refuse prohibited.

It is unlawful for any person to burn garbage, waste manure, or other material in the open air, or in any furnace, stove or incinerator within the Town limits. (Ord. 900 § 1, 2009; Ord. 611 §1, 1998; Ord. 121 § 11, 1969.)

8.12.120 Endangering property by careless burning unlawful.

It is unlawful for anyone to burn trash, rubbish, grass or other combustible material either in or out of incinerator, which through lack of supervision or through carelessness, causes a fire to spread to other property and which in turn causes the fire department to be called to extinguish the blaze. Anyone in violation of this section, upon conviction, shall be fined a sum not exceeding seven hundred fifty dollars, and cost of damages to the property as decided by the court. (Ord. 289 § 7, 1982; Ord. 75 § 15, 1961.)

8.12.130 Cleaning premises required upon vacating.

It is unlawful for any person upon vacating or removing from dwellings, storerooms, or any building situated within the corporate limits of the town, to fail to remove all garbage, rubbish and ashes from such buildings and premises, and also the grounds appurtenant thereto; or to fail to place the same in a thoroughly sanitary condition within twenty-four hours after the premises shall be vacated. (Ord. 121 § 12, 1969.)

8.12.140 Covering vehicle required.

It is unlawful for any person to haul, convey or transport through or upon any of the public streets, any garbage, ashes, market wastes, trade wastes, manure, night soil, loose paper, scrap lumber, excelsior, tree limbs, bush clippings, lawn clippings, house refuse, yard refuse, liquid wastes, or any other refuse materials, in open trucks, open trailers or other open conveyances, unless covered completely with a heavy tarp, canvas or other acceptable material subject to the approval of the town council. Each vehicle must be covered with a heavy duty canvas or other heavy acceptable material at all times when the vehicle is being used for the collection of, or carrying, transporting or hauling garbage, manure, market waste, night soil, dead animals, or other refuse and is being driven for a distance of five blocks or more without making a stop. (Ord. 121 § 13, 1969.)

8.12.150 Dumping refuse prohibited.

It is unlawful for any person to place, deposit or dump garbage, ashes, market waste, paper boxes, cartons, trade waste, manure or night soil or any other refuse upon any lot within the limits of the town of Jackson, whether such lot is occupied or vacant, and whether such person so placing, depositing or dumping such refuse is the owner, tenant, occupant or lessor thereof or has the same under his jurisdiction or control. (Ord. 121 § 14, 1969.)

8.12.160 Trailer and mobile home park owners--Garbage removal duty.

Trailer or mobile home park owners or operators and rental unit owners or operators shall be responsible for providing for the removal of all garbage from their occupants and be responsible for fees involved. (Ord. 258 § 1, 1979; Ord. 121 § 15, 1969.)

8.12.165 Open burning.

The Town Council may, by proclamation, resolution or ordinance, order that burning of tree trimmings, leaf and grass rakings be allowed for a limited period of time each year. Open burning that is offensive or objectionable because smoke or odor emissions or when atmospheric conditions or local circumstances make such fires hazardous shall be prohibited. Open burns, including bonfires, shall be approved by the fire department. (Ord.900 § 2, 2009.)

8.12.166 Recreational fires.

Recreational fires shall be conducted within an outdoor fireplace, manufactured outdoor fireplace, outdoor fire pit or fire bowl approved by the fire department. Gas fired outdoor fireplaces, fire pits or fire bowls are not prohibited. Recreational fires that are offensive or objectionable, because smoke or odor emissions or when atmospheric conditions or local circumstances make such fires hazardous, shall be prohibited. (Ord.900 § 2, 2009.)

8.12.170 Penalty for violations.

Any person who violates any of the provisions of this chapter, except Section 8.12.120, is guilty of a misdemeanor, and may be punished according to Section 1.12.010. (Ord. 121 § 16, 1969.)

Chapter 8.16 WEED CONTROL AND ABATEMENT

Sections:

8.16.010 Noxious weeds defined.

8.16.020 Weeds on private property prohibited.

8.16.030 Removal notice--Time.

8.16.040 Failure to remove--Removal by town--Costs a lien.

8.16.010 Noxious weeds defined.

Whenever used in this chapter, “noxious weeds” means any plant which the Wyoming Board of Agriculture and the Wyoming Weed and Pest Council have found to be detrimental to the general welfare of persons residing within a specified district and as set forth in the Wyoming Weed and Pest Control Act, Wyo. Stat. § 11-5-101 et seq. and those weeds on the designated list and the Teton County declared list. (Ord. 824 § 1, 2006; Ord. 93 § 2, 1965).

8.16.020 Weeds on private property prohibited.

No owner or owners of any lot, place, or area within the Town, or the agent of such owner or owners, shall permit noxious weeds on such lot, place or area and one-half of any road or street or alley lying next to such land abutting thereon. The existence of such noxious weeds constitutes a public nuisance. (Ord. 824 § 1, 2006; Ord. 263 § 1, 1979; Ord. 93 § 3, 1965).

8.16.030 Removal notice – Time.

The representatives designated by the mayor, including but not limited to the Director of the Teton County Weed and Pest division and the Town Public Works Director, or any other designated representative, are authorized and empowered to notify in writing the owner or owners of any such lot, place or area within the Town, or the agent of such owner or owners, to exterminate or remove any such noxious weeds found growing, lying or located on such owners’ property or upon the one-half of any road, street or alley lying next to abutting thereon. Such notice shall be by certified mail, with return receipt, addressed to the owner or owners or agent of the owner or owners, and shall give such owner or his agent such period of time as stated in the notice, but not less than ten days from the receipt of notice, to exterminate or remove the noxious weeds. (Ord. 824 §1, 2006; Ord. 355 § 1, 1986; Ord. 93 § 4, 1965).

8.16.040 Failure to remove – Removal by Town – Costs and lien.

Upon the failure, neglect or refusal of any owner or owners or the agent thereof so notified to exterminate or remove noxious weeds growing, lying, or located upon the owner’s or owners’ property or upon the one-half of any road, street, or alley lying next to the lands abutting thereon, after receipt of written notice provided for in Section 8.16.030, or within ten days after the date of such notice in the event the same is returned to the Town because of inability to make delivery thereof, with the authorization of the designated representatives as set forth in Section 8.16.030, the Teton County Weed and Pest division is authorized to exterminate or remove such noxious weeds and report to the Town Clerk the same, together with vouchers of the cost of such exterminations and removal, plus twenty five percent additional to cover the cost of administration and notice. Such total cost shall be assessed against the lot or parcel of land from

which or adjoining which the noxious weeds shall have been exterminated or removed. The Town Clerk shall charge the cost of such extermination and removal to the property owner or owners as a special bill for refuse removal and such special assessment shall become a lien upon and against the lost or parcels of land and collectible as such. (Ord. 824 § 1, 2006; Ord. 263 § 1, 1979; Ord. 93 § 5, 1965).

Chapter 8.20 FIREWORKS

Sections:

8.20.010 Definitions.

8.20.050 Enforcement of chapter--Destruction of seized fireworks.

8.20.060 Penalty for violation.

8.20.010 Definitions.

Certain words and terms in this chapter are defined for the purpose thereof as follows:

- A. "Fireworks" means and includes any article, device or substance prepared for the primary purpose of producing a visual or auditory sensation by combustion, explosion, deflagration, or detonation, including, without limitation, the following articles and devices commonly known and used as fireworks: Toy cannons or toy canes in which explosives are used, blank cartridges, firecrackers, torpedoes, sky-rockets, Roman candles, and daygo bombs, soft shell firecrackers, vesuvius fountains, spray fountains, torches, color fire cones, star and comet type aerial shells with or without explosive charge for the purpose of making a noise, and color wheels; but not including toy cap pistols and toy caps each of which does not contain more than twenty-five hundredths of a gram of explosive material and sparklers.
- B. "Person" includes an individual, partnership, co-partnership, firm, company, association or corporation. (Ord. 138 § 1, 1970.)

8.20.020 Sale, use and giving away prohibited.

Except as hereinafter provided, it is unlawful for any person to offer for sale at retail, expose for sale at retail, sell at retail, give away, use, discharge or detonate any fireworks in the town of Jackson. (Ord. 138 § 2, 1970.)

8.20.030 Permits for public displays required.

The town council shall have the power to grant permits within the town of Jackson for supervised public displays of fireworks by individuals, amusement parks and other organizations and groups, and to adopt reasonable rules and regulations for the granting of such permits. Every such display shall be handled by a competent operator and shall be of such character and so located, discharged and fired as not to be hazardous to property or endanger any person. No permit shall be transferable or assignable. (Ord. 138 § 3, 1970.)

8.20.040 Exceptions.

This chapter shall not be construed to prohibit:

- A. Any person from offering for sale, exposing for sale, selling or delivering fireworks to the town of Jackson, or any association, amusement park, or other organization or group holding a permit issued as herein provided;

- B. Any person from using or exploding fireworks in accordance with the provisions of any permit issued as herein provided;
- C. Any person from offering for sale, exposing for sale, selling, using or exploding any article, device or substance for a purpose other than display, exhibition, amusement or entertainment; or when used for mining purposes, danger signals, or other necessary uses; or
- D. Any person from offering for sale, exposing for sale, selling, using, or exploding blank cartridges for theatrical or ceremonial purposes or in organized athletic or sporting events. (Ord. 138 § 4, 1970.)

8.20.050 Enforcement of chapter--Destruction of seized fireworks.

The police authorities of the town of Jackson shall seize, take, remove or cause to be removed at the expense of the owner, all stocks of fireworks offered or exposed for sale, stored or held in violation of this chapter. Such fireworks shall be destroyed or otherwise disposed of upon order of any justice of the peace, any district court, any district judge or district court commissioner of the state of Wyoming. (Ord. 138 § 5, 1970.)

8.20.060 Penalty for violation.

Any person violating any provision of this chapter is guilty of a misdemeanor and upon conviction thereof shall be punished according to Section 1.12.010 of this code. (Ord. 138 § 6, 1970.)

8.24.030 Violation a nuisance--Penalty.

Any and all installations in violation of this chapter are a public nuisance and shall be abated forthwith, and shall be penalized not less than ten dollars or more than seven hundred fifty dollars per day per violation. (Ord. 289 § 8, 1982; Ord. 52 (part), 1946.)

Chapter 8.28 HOUSE NUMBERING

Sections:

8.28.010 House numbering required.

8.28.020 Maps.

8.28.030 Numbers on buildings.

8.28.010 House numbering required.

All lots, buildings and structures in the town shall be numbered in accordance with the following plan:

North and south numbers shall commence at Broadway. East and west numbers shall commence at Cache Street. Odd numbers shall be on the west and north sides of the streets; even numbers shall be on the south and east sides of the streets. House or building numbers for buildings located at the front of a lot shall end in zero or five, while numbers for buildings at the rear of a lot shall end in the appropriate odd or even number nearest the front of the lot building number. (Ord. 193 § 1 (part), 1976.)

8.28.020 Maps.

The town police department shall keep a map showing the proper street number of every lot in the town which shall be open to inspection by any interested person. (Ord. 193 § 1 (part), 1976.)

8.28.030 Numbers on buildings.

It shall be the duty of the owner and occupants of every house and occupied building in the town to have placed thereon, in a place visible from the street, figures at least three inches high, showing the number of the house or building; any person, firm or corporation failing to so number any house, building or other structure occupied by him, or after receiving notice to do so from the chief of police shall continue in his failure to so number such house, building, or structure, shall be fined one dollar for each day during or on which a failure to so number continues. (Ord. 193 § 1 (part), 1976.)

Chapter 8.32 ALARMS

Sections:

8.32.010 Definitions.

8.32.020 Notification.

8.32.030 False alarm.

8.32.040 Bond.

8.32.050 Penalties.

8.32.010 Definitions.

The following words and phrases shall have the meaning respectively ascribed to them by this section:

- A. "Alarm" means any telephonic or electronic device used to notify the police to an act of trespass, burglary or robbery.
- B. "Burglary" means the crime of burglary as set forth in Section 6-7-201, W.S., 1977, Rep. Ed. and any amendments thereto, or an attempt to commit such crime.
- C. "Robbery" means the crimes of "Robbery" or "Aggravated Robbery" as set forth in Section 6-4-401 and 6-4-402, W.S., 1977, Rep. Ed. and any amendments thereto, or an attempt to commit such crime.
- D. "Trespass" means the activation of alarms for the purposes other than trespass, burglary robbery, or breaking into a locked or sealed building, but shall not include activation by authorized technicians for the purposes of testing, after having notified the police of the test.

(Ord. 769 § 2, 2004; Ord. 245 § 1 (part), 1978.)

8.32.020 Notification.

It is unlawful for a person to maintain an alarm on any premises, unless there is at the police department, a list of persons with telephone numbers, who are authorized and responsible to enter such premises and deactivate such alarm. It is unlawful for any person included on such list, who has been personally contacted by the police department, to fail to appear with the time designated by the police department and inactivate the alarm for which he is responsible.

(Ord. 769 § 3, 2004; Ord. 245 § 1 (part), 1978.)

8.32.030 False alarm.

It is unlawful for a person to give a false alarm.

(Ord. 769 § 4, 2004; Ord. 245 § 1 (part), 1978.)

8.32.040 Bond.

It is unlawful for any person or corporation to maintain an alarm on any premises unless there shall have been posted with the police department a bond in the amount of one hundred dollars, portions of which are to be forfeited upon the giving of false alarms as hereinafter provided. (Ord. 769 § 5, 2004; Ord. 245 § 1 (part), 1978.)

8.32.050 Penalties.

For a police response to a false alarm the police chief shall charge and collect from the person having or maintaining the activated alarm, the following fees:

- A. For a response to premises at which no other false alarm has occurred within the preceding six month period, hereinafter referred to as a first response, no fee shall be charged, but the person having or maintaining the activated alarm shall, within three working days after notice to do so, make a written report to the police chief, on forms prescribed by the police department, setting forth the cause of such false alarm, the corrective action taken, whether such alarm has been inspected by an authorized technician, and such other information as may reasonably be required to determine the cause of the false alarm and corrective action necessary.
- B. For a second response to the same premises within six months after such a first response, and for all succeeding responses, twenty-five dollars shall be charged. Such fee shall be forfeited from the bond posted with the police department and in the event such bond becomes exhausted the alarm shall be disconnected or a new bond in the same amount as the original bond shall be posted.
- C. Any person convicted of a violation of or failure to comply with any of the provisions of the chapter shall be punishable in accordance with Section 1.12.010 of this code.

8.33.010 Title.

This Ordinance shall be known as the False Fire Alarm Ordinance of the Town of Jackson, Wyoming. (Ord. 768 § 2, 2004)

8.33.020 Purpose.

It is the purpose of this Ordinance to establish a framework for the reduction of false alarms transmitted by fire alarm systems. The Town Council of the Town of Jackson have determined that the health, safety and welfare of the citizens, and fire personnel of the Town of Jackson would be best served by establishing regulations for the installation, use, and maintenance of fire alarm systems intended to transmit an alarm requiring automatic fire. It is further the purpose of this Ordinance to require Fire Department and Building Department review and approval of all systems prior to installation. It is the intent of this Ordinance that the provisions contained herein be applied to systems installed after the date of adoption, and existing systems.

(Ord. 768 § 3, 2004)

8.33.030 Definitions.

For the purpose of this Resolution, the term “fire alarm” shall be any alarm system, regardless of design, which is capable of, or intended to transmit a signal to dispatch services of the Teton County Sheriff’s office. (Ord. 768 § 4, 2004)

8.33.040 Permits.

It shall be unlawful for any person to install, operate, or maintain any fire alarm without having first applied for and been granted a permit for such system by the Jackson/Teton County Fire Department. (Ord. 768 § 5, 2004)

8.33.050 Design Standards.

Fire alarm systems shall be installed in accordance with applicable requirements of the most current edition of the *International Fire Code* as adopted by the Town of Jackson, the

listing of devices used within the system, industry standards of good practice, and all laws regulating such systems. (Ord. 768 § 6, 2004)

8.33.060 Plans.

Each application for a permit to install, operate, or maintain any fire alarm shall be accompanied with not less than two sets of plans subject to review and approval by the appropriate authority having jurisdiction. Plans shall include, at a minimum, the following:

- A. The name, physical address, mailing address, and phone number of the owner.
- B. The name, mailing address, and phone number of the installing company.
- C. The date, and by whom the plans are drawn.
- D. Working diagrams of the intended system installation.
- E. A list of exceptions from installation standards being requested.
- F. Cut sheets of equipment proposed for use.

(Ord. 768 § 7, 2004)

8.33.070 Required Documentation.

All vendor and/or installers of fire alarm systems shall, each January fifteen, submit to the Teton County Sheriff's office a complete and accurate report detailing all systems presently being used within the Town of Jackson. This report shall include: owners name, physical and mailing address, phone, and the name, address and phone numbers of responsible persons that will be available 24 hours a day to respond to the location of an alarm. All system users shall complete and submit to the Teton County sheriff's Office the *Law Enforcement and Emergency Alarm Subscriber Information Form* available at the Sheriff's Office. (Ord. 768 § 8, 2004)

8.33.080 Alarm Actuation.

The owner, or a responsible person designated by the owner, shall respond simultaneously with law enforcement or fire personnel to any alarm of unknown origin.

- A. Upon actuation of the alarm system by the owner or designee for a cause known to be of a false origin, the owner or designee shall immediately contact dispatch services of the Teton County Sheriff's Office. Failure to notify shall be considered to be a false alarm response.
- B. For the purpose of this Ordinance, alarm actuation due to atmospheric disturbances shall be considered extenuating circumstances and shall not be defined as a citable false alarm.

(Ord. 768 § 9, 2004)

8.33.090 False Alarm.

It is unlawful for a person or system to give or transmit a false fire alarm. (Ord. 768 § 10, 2004)

8.33.100 Penalties.

- A. **Notification of Defective Alarms.** A fire alarm system which transmits a false alarm may be deemed a defective alarm system. It shall be the responsibility of the Fire Chief to investigate the alarm and, based upon the finding of that investigation, deem the alarm system defective. The owner of the alarm system shall be notified of the determination of

defective alarm. The Fire Chief shall charge and collect a response fee of one hundred seventy five dollars (\$175.00) from the person(s) responsible for the alarm system.

B. Response Suspension. Response to any alarm system deemed defective may be suspended until such time that the system has been repaired and documentation of such repair has been submitted to the fire department.

C. Response Reinstatement. Once the requirements of this section have been satisfied, response to the fire alarm system shall be reinstated and the owner notified. The Jackson Law Enforcement Communications Center will be notified within one working day of the location having met the requirements for response reinstatement.

D. Repetitive Suspension. Each suspension of service to a location will be considered a separate incident.

E. Violation of this Code. Any person convicted of a violation of or failure to comply with any of the provisions of this chapter shall be punishable in accordance with Section 1.12.010 of the Municipal Code of the Town of Jackson.

(Ord. 768 § 11, 2004)
